

Therapeutic Touches Travel Pricing Guide

For 2021, the standard mileage rate in the U.S. is **\$0.56** per mile driven. This rate is based on an annual study of the fixed and variable costs of operating an automobile. Therapeutic Touches mileage rate is well below the national rate at **\$0.33** per mile on average. This cost does not take into consideration the preparation that is required for mobile/travel massage services (example: loading/unloading of equipment and supplies as well as food/beverage prep and storage). Please note, if you are requesting mobile/travel massage services the following pricing guide will be used to determine the travel fee. Travel fees are NOT included on the individual services price lists nor are they included when you book your service online. When you provide your address, mileage will be determined by using Google Maps. Please see our mileage pricing guide below and as always, feel free to call us at 334-463-9391 for any questions.
